- Represents zero or rounds to zero.

¹ Households with a foreign-born householder are defined as foreign-born households, regardless of the nativity of the other household members.

² The data in this table do not include the population living in group quarters.

³ The category '2000 or later' includes 2000-2004.

⁴ Households in which at least one member is related to the person who owns or rents the house (householder).
